## COMMENTS FROM THE TOWN MANAGER'S OFFICE

The West Bethel water system has been bothering again. The trouble isn't leaks in the distribution system as in the past but the ground water level is down to a point where it is difficult to lift the water to the surface.

When the West Bethel water system was completed in Dec. 1959 the water level was 10 feet below the level of the pump, which is 12 feet below ground level. At the present time the water level is 24 feet below the level of the pump. The drop in water level was caused by very dry summers and light snow cover in winters. The drop also might be attributed in part to the amount of water used by the people on the system. The amount of water used each day is over double the amount used five years ago. A small part of the increased amount of water pumped can be attributed to new services but certainly not all of it.

Theoretically a lift pump will lift water 27 feet at sea level and the distance decreases at elevations above sea level. At the elevation of Bethel it is rare that water is lifted over 23 feet with a lift pump. Either the pump at West Bethel will have to be put closer to the source or a different type of pump will have to be used.

## CHAMBER OF COMMERCE TO MEET OCT. 5

The executive meeting of the Greater Bethel Chamber of Commerce was held at the home of President Burdick Pierce on Sunday night. The summer's activities were reviewed and plans for the October 5 meeting were made.

The Chamber's activities this summer included a display at the Maine Information Center at Kittery. This is a display welcoming people to the Greater Bethel area and extolling its scenic beauty, rock-bounding facilities, and its industrial base. Any business in this area should take advantage of the facilities at Kittery for advertising purposes. The traffic through the center is astounding.

Boxes were constructed and will be erected at all the public phone booths in Locke Mills, West Bethel, Bryant Pond and Bethel. These boxes will list the telephone numbers of fire, police, churches, inns and motels, restaurants, stores and other chamber business for the convenience of travelers.

The Chamber reported that NTL relations were improved again this year by welcoming carls get-together teas and bridge parties.

The Chamber sponsored the Bethel Teen Council this summer—a very successful organization.

Plans for the October 5 meeting will be announced in The Citizen next week.

Mr. and Mrs. Earl Davis left Saturday for a three week trip to the West.

## BROOKS BROS. RECEIVES FUEL CONTRACT FOR SAD 44 SCHOOLS

Directors of School Administrative District 44 met on Monday evening at the Locke Mills Elementary School for a regular business meeting. These meetings are held on the first and third Mondays of each month and have been rotated among the towns of the District. The next meeting will be held on October 4 at the Crescent Park School, Bethel.

At the meeting held Monday, the Directors accepted the low bid of Brooks Bros., Inc., to furnish fuel oil to the schools of the District at a cost of 10.9 cents per gallon.

A TV antenna on a tower is to be installed on the Locke Mills School to receive broadcasts from the educational network.

Renovations will be made in the large classroom at Woodstock High School to provide better teaching space. The work will be done during the Teachers Convention period. A second math teacher was authorized for Woodstock High School.

New report cards for the elementary schools were approved by the Curriculum Committee and will be in use for the first ranking period. The cards were developed by the teachers of the former School Union No. 23.

Starting on Wednesday, Sept. 22, pupils in Grade 8 at the Greenwood City School will be transferred to the Woodstock school and Grade 8 pupils from the Raymond Foster School in Newry will be transferred to the Crescent Park School.

In case of storms or other conditions, NO SCHOOL signals will be broadcast from radio station WRUM in Rumford at the time the first bus should be starting.

The Directors have authorized payment of allowances in lieu of transportation for certain high school pupils. Parents who feel they may be eligible for such payments must make applications to the Superintendent of Schools.

A group of Directors are planning to visit the new high school at Wolfeboro, N. H., on Sunday, Oct. 3. This building is about the same size which is being contemplated for the District.

The office of the Superintendent of Schools has been moved from the Crescent Park School to the new office building on Main Street, Bethel.

Five town enrollment figures were released at the meeting. Total registration was 1180, broken down as follows: Andover 206, Bethel, 499, Greenwood, 89, Newry, 47, and Woodstock, 312. The number of tuition pupils in non-district operated schools is not yet known.

Mr. and Mrs. Theodore Olsson of West Paris visited Mrs. Matilda Irvine on Sunday.

## BENNETT - LARSEN

Mrs. Donald G. Bennett

St. George's Episcopal Church, Dundalk, Md., was the setting for the wedding of Miss Katherine Anne Larsen and Capt. Donald G. Bennett on Sept. 9 at 5 p. m. The Rev. Norman P. Forde officiated at the ceremony.  
Mr. and Mrs. L. George Larsen of 600 Danhill road are the parents of the bride. Capt. Bennett is the son of Mrs. Harold G. Bennett and the late Mr. Bennett of Bethel.

The bride was given in marriage by her father and attended by her sister, Mrs. Earl E. Stine, as matron of honor.  
Earl E. Stine was the best man. Ushers were Capt. Paul M. Drumm of Richmond, Va., and Capt. Thomas P. Carigan of Swanton, Pa.

The bride's gown was of ivory tulle with a train of white tulle and a full skirt. The train had an appliqued border of white tulle. Her flowers were white chrysanthemums and rubrum lilies.  
The matron of honor wore a gown of sapphire blue chiffon over tulle, with matching accessories. Her flowers were yellow chrysanthemums accented by an orange rubrum lily.

Mrs. Larsen, the mother of the bride, wore a costume of pale blue silk and worsted with matching accessories.  
The groom's suit, Dr. Ruth Crosby, represented his mother. Her dress was pale blue metallic cloth, worn with white accessories.

The wedding reception was held at the Sparrows Point Country Club.  
For her traveling costume, the bride wore a maple tared suit by Dominique, with matching accessories. The couple spent their honeymoon in Canada.

A graduate of Maryland Institute of Art, the bride plans to teach art in the Baltimore County school. Capt. Bennett, a graduate of Orono Academy at Bethel, returned to this country in August after a year with the 1st Airborne in South Viet Nam. He will be stationed at Fort Meade in Baltimore where he will be taking courses at the Army Intelligence School. They will be at home at 6315 Brown Avenue in Baltimore.

Out of town guests at the wedding included Mrs. Ruth Crosby of Bethel, Mr. and Mrs. Arthur Bennett of Jackson Heights, N. Y., and Mr. and Mrs. David Bennett of Pennsylvania.

## BETHEL AND VICINITY

Mr. and Mrs. Herman Robertson and son, Carl, and Carl Pike of Hartford, Conn., were recent visitors of Mr. and Mrs. Henry Robertson.

Debra Buck, daughter of Mr. and Mrs. Albert Buck, celebrated her seventh birthday Saturday with a party at her home. Present were: Betty Davis, Susan MacKay, Paula Belanger, Jane Gorman, Nancy Buck and Linda Buck.

Sewing classes under the direction of Mary Kendall will start Thursday (tonight) at 7:30 p. m. in the Home Ec. Cottage. Those planning to attend are to bring a pencil, notebook, one-fourth yard of plain material, colored thread, sewing kit, and a portable sewing machine, if possible.

Elaine Conner, daughter of Mr. and Mrs. Harold Conner, celebrated her 13th birthday, Sept. 22, with a cocktail at her home. Present were: Jody Packard, Lisa Farrar, Karen Brown, Bonnie Mills, Linda Buck, Rhonda Parker, Cynthia Tift, Anne Marie Rolfe, Merold G. Bennett and the late Mr. Bennett of Bethel.

The bride was given in marriage by her father and attended by her sister, Mrs. Earl E. Stine, as matron of honor.  
Earl E. Stine was the best man. Ushers were Capt. Paul M. Drumm of Richmond, Va., and Capt. Thomas P. Carigan of Swanton, Pa.

The bride's gown was of ivory tulle with a train of white tulle and a full skirt. The train had an appliqued border of white tulle. Her flowers were white chrysanthemums and rubrum lilies.  
The matron of honor wore a gown of sapphire blue chiffon over tulle, with matching accessories. Her flowers were yellow chrysanthemums accented by an orange rubrum lily.

Mrs. Larsen, the mother of the bride, wore a costume of pale blue silk and worsted with matching accessories.  
The groom's suit, Dr. Ruth Crosby, represented his mother. Her dress was pale blue metallic cloth, worn with white accessories.

The wedding reception was held at the Sparrows Point Country Club.  
For her traveling costume, the bride wore a maple tared suit by Dominique, with matching accessories. The couple spent their honeymoon in Canada.

A graduate of Maryland Institute of Art, the bride plans to teach art in the Baltimore County school. Capt. Bennett, a graduate of Orono Academy at Bethel, returned to this country in August after a year with the 1st Airborne in South Viet Nam. He will be stationed at Fort Meade in Baltimore where he will be taking courses at the Army Intelligence School. They will be at home at 6315 Brown Avenue in Baltimore.

Out of town guests at the wedding included Mrs. Ruth Crosby of Bethel, Mr. and Mrs. Arthur Bennett of Jackson Heights, N. Y., and Mr. and Mrs. David Bennett of Pennsylvania.

**POOL AT TWILIGHT**  
Within the blue-gray loveliness  
Of vesper time I saw a pool  
Where starlight was a quiet psalm,  
Golden, and hushed, and cool.  
O Father, let Thy healing love  
And tender mercies shine in me,  
More fair than gleam of any star,  
A bright infinity.  
To show some heart the glad release  
Of Thy rich treasures of peace.

## GOULD FOOTBALLERS TO OPEN OCTOBER 2

The Gould Academy football outlook appears bleak in the early stages of preparation for the home opener, Oct. 2. Although the backfield looks strong, there is not a regular lineman left from last year's team which lost just one game.

In the line Coach Scott has Lee Vail, last year's second string fullback, at center, backed up by Dick Paine, Jim Perkins and Jim Young. At the guard position Al Walker, Ken Morse and Harlan Bean are letter-winners, but only Walker saw much service last year.

Dick Waldron, Mark Vail and Mark Walker are up from the JV's. At tackle Alanson Lovejoy, Dave Thurston, Theron Clough and John Buck are vying for starting assignments. Letter-winners Steve Mahler and Charlie Jacobs have the nod at the two end positions with Don Dixon, Steve Trivard, Tom Davis and Ted Jackson pushing hard.

The Huskies have no problems in the backfield where Captain Mike Chretien is at quarterback and two year veteran Ray Atwood at fullback. At the halfbacks Brian Buck and George Nickerson have speed and experience, although Nickerson was out last year with an injury.

## EPISCOPALS TO PRESENT SERIES OF SERMONS

Beginning on Sunday, Sept. 26, Father Nelson will begin a series of talks or sermons at the Episcopal Chapel of Christ the King on the general subject "The Roadway Toward Believing." For many, the series of sermons will offer for the first time an objective consideration of why they should bother about religion, what religion is all about, the relationship between science and religion, and where man of himself, fails. The series will continue with who Jesus Christ is, how he can help us, what Christians believe, and why we need the Church.

The Chapel of Christ the King invites all who are interested in seeking answers to these questions, and who want to face up to their relationship to God to join with them at the 9:15 a. m. worship of the Chapel at the IOOF building on Main Street each Sunday morning.

### COULD CROSS COUNTRY PROSPECTS BRIGHT

With the first four letter-men from last year's strong team returning, prospects are bright for a successful season. The fifth spot on the current team could be filled by either of two seasoned veterans: Lloyd Carter, Jack Brooks. This year's twenty-one member squad is the largest in number in recent years. The boys would like to retain the Mountain Valley League (Championship) title, make it four straight Western Maine Conference titles, and capture the elusive Class M State Cross-Country Championship.

Squad members are: captain, Vaughn Dumas; Bob Everett, John Leonard, Andy Buck, Jack Brooks, Lloyd Carter, David Carter, Gene Tiddels, Larry Fox, Steve Moore, Jim Goulette, Steve Carter, Scott Daigle, Ned Robertson, Bill Eames, Craig Boyd, Gary Page, Dave Robertson, Steve Hastings, Pete Kiefer, Mike Kinsman, Phil Martin (manager), John Pollock (assistant manager).

The squad opened their season with Bridgton and Oxford Hills at Bridgton Sept. 23. On Sept. 30 they will entertain Grafton, Maine, High School.

### BOY SCOUT REMINDER

I would like to see all the boys that belong to Boy Scouts and any new boys that are 11 years old or older at the Congregational Church this Thursday night at 7 o'clock for the meeting. There is no excuse why you can't be there and have a good time. This is where the parents can help by sending them also if there are any people that have old Boy Scout uniforms that they don't want please bring them in or send them to me. Ernest Perkins, Scoutmaster.

### HEALTH COUNCIL SEEKS MEDICAL SERVICE

Intensification of efforts to increase the area's medical personnel was stated by Mrs. James Hudson, president of the Bethel Health and Service Council as the first project to be given attention during her term of office. Mrs. Hudson, vice president since March of 1954, succeeds Mrs. Burdick Pierce as president of the organization.

The Council instituted a survey two years ago to determine the scope of population looking to Bethel for medical service, as well as to evaluate the general preference for hospital services.

Data was also collected to give a potentially interested physician information as to economic, commercial, and health and sanitation structure.

The Council has been selected by the Bethel selectmen to initiate a community committee to pursue the project. The potential future of the area — the formation of School Administrative District 44, and the anticipated transition of Gould Academy facilities to the University of Maine — is considered to indicate an increasing demand for medical service beyond the capacity of the one physician now practicing here.

The medical project will be the main topic of the quarterly meeting which will be held on Thursday, Oct. 7, 8 p. m., at the Crescent Park School.

### METHODIST MEN

The Methodist Men met Monday evening at the church for a supper with Harold Stevens and Jim Brown, committee in charge. The topics were "Responsibility of Parents and other adults to their children," "Products of our culture," and "Manner of teaching the Ethics of Jesus." Committee for October is Stanley Brown and Richard Blake.
